*Screening saves lives*

---

**Book your free cancer screening  
appointment today!**

## **About Us**

CanScreenBC is dedicated to providing comprehensive cancer screening services, including any requisite follow-up care and ongoing surveillance.

## **Our Vision**

To provide access to cancer screening services publicly available in B.C.

Supporting those without a primary care provider or with limited access to preventative health care services, we're here to get you screened.

## **Tests Available**

Breast Cancer  
Screening

Colorectal  
Cancer  
Screening

Lung Cancer  
screening

## **Cancer Surveillance**

We assist those patients with a history of cancer to access ongoing surveillance testing for colon, breast, and prostate cancer.
